Dinesh Manikandan TS
Front-end Developer

SUMMARY

"With 1.5 years of hands-on experience as a front-end developer, I specialize in crafting dynamic and visually engaging websites using HTML, CSS, and JavaScript, with a notable highlight in React. Proficient in TypeScript and responsive design, I ensure seamless user experiences across various devices. Thriving in collaborative, cross-functional teams, I am committed to delivering high-quality and aesthetically pleasing web solutions with a keen eye for detail."
